Granite Springs Golf Course

THANK YOU

CRAIG WHITEHEAD,
PRESIDENT & CEO

At Safety Services Nova Scotia, our mission has always been rooted in creating safer workplaces and stronger communities across our province. Every day we work alongside employers, workers, and industry leaders to build a culture where safety is valued, respected, and embedded in everything we do.

But our commitment to safety extends beyond the workplace.

Through our Road to Impact initiative, we are proud to support non-profit organizations across Nova Scotia that are working to strengthen communities, support families, and create opportunities for those who need them most. These organizations are doing incredible work, often with limited resources, and we believe it is our responsibility to help amplify their impact.

The Road to Impact Golf Tournament represents more than a day on the course. It is an opportunity for leaders, partners, and organizations to come together with a shared purpose: supporting the communities that support all of us.

Our goal of raising \$30,000 will directly support non-profit grants that help local organizations continue delivering meaningful programs and services throughout Nova Scotia.

By partnering with us, you are demonstrating leadership, community commitment, and a belief that when organizations work together, we can create real and lasting change.

On behalf of our Board of Directors and the entire team at Safety Services Nova Scotia, thank you for considering being part of this important initiative. Your support will help drive meaningful impact across our province.

I look forward to seeing you on the course. Please contact us at contact@safetyservicesns.ca for Partnership and & Prizing Opportunities.

A handwritten signature in blue ink, appearing to read "Craig Whitehead".

Craig Whitehead
President & CEO
